

## **Financial Aid Policy**

Alexandria Country Day School is committed to making its educational program available to qualified students. The school recognizes that some families of students cannot pay full tuition and socio-economic diversity is important to education.

The Financial Assistance Program of the school is available to students who have been admitted and returned an enrollment contract to the school.

Each award is made for one school year.

The Financial Aid Committee will be comprised of the Head of School, the Admissions Director, the Business Manager and others chosen by the Head of School.

Participants who apply for Financial Aid will be selected based upon NAIS best practice and the accreditation requirements of ISAS. Those who meet applicable selection criteria will be presented to Finance Committee for approval.
